Tom Fowler: Talked about Toshiko Mori, Keynote speaker. And will work closer with ACSA on selecting annual Gold Medal recipient. Website updated very nicely, TSD now also has Facebook, LinkedIn, Instagram, Twitter. Need to publicize MORE what TSD is all about.

Discussions:

Donna Kacmar asked how Gold Medal recipient is selected. Tom explained that ACSA gives a list of names and TSD Board votes on who received the Gold Medal.

Looking for Regional Directors. Any inquirers should talk to Steve Schreiber or Roger Schluntz about duties.

Donna Kacmar described their induction ceremony. Tom Fowler – Cal Poly San Luis Obispo gives Silver Medal at Induction ceremony that way local Architects interact with students. Carlos Reimers of Catholic University; regularly give lectures on time management, 2 lectures with Women Architects – Involve Faculty with Art Auction, art created by Faculty.

Hans Hermann – Montana State University – they have struggled to attract members in Landscape Architecture and Allied Arts. Landscape Architecture may have their own Honor Society.

Students may be reluctant to join honor society due to volume of bogus solicitations from Fake honor societies.

Was suggested that Bronze and Silver Medal Recipients be posted on website.
